The following form must be completed by a healthcare practitioner such as a family physician, medical specialist or, in some provinces and territories, a nurse practitioner.

## NOTE TO THE HEALTHCARE PRACTITIONER:

You can send us the Medical Document either by original paper copy or fax.

ORIGINAL PAPER COPY	FAX
Please mail us the original, completed and signed version of this Medical Document.	We can also accept this document when sent directly from your office by fax. You must declare in a separate cover sheet that the document you are faxing is the original Medical Document.
<b>Emblem Cannabis</b> PO Box 20087 Northville Paris, ON, N3L 4A5	<b>1-519-442-2467</b>

### **Q:** *Can my physician use their own Medical Document in lieu of Emblem's document?*

Yes, as long as the same criteria used for our Medical Document is met and the mandatory information we need to complete your registration is included. We recommend you compare our Medical Document with the doctor's version to ensure all the information is on the form, and to prevent delays in completing your registration.
